

Telling a story

2 Look at the following paragraph 👁👁

First I arrived at work very early, **then** my boss called me to talk about some things.

I began my classes and **later** one of my colleagues invited me for a coffee.

In the end we decided to go to the café near the subway station.

3 Now using the words in the table and the vocabulary make a short story.

Finally	first	then	later	in the end
---------	-------	------	-------	------------

Using the following pictures, write your own story (the images are in disorder):
Make sure to use the words: **first**, **then**, **later**, **finally** and **in the end**.

One day, Mike and his family....
