Reading comprehension

My name is Paul, and I am a doctor. I work in a hospital, and I live in a comfortable house with my family.

My mother Stella is a nurse. She helps doctors and cares sick people at the hospital. She likes her job a lot!

My father works very hard. He protects people and arrests criminals.

My sister Andrea is a student. She wants to be a pilot. She loves airplanes.

During lunch time, we always talk about what we do at work. I love my family!

1. Read the sentences and Write T or F.

a. Paul's mother is a nurse.

b. Andrea loves airplanes.

c. Paul's father works at the hospital.

d. Paul is a teacher.

e. Paul works at a hospital.

2. Now, read again and answer these questions.

a. What is correct about Andrea?

- She is a pilot.
- She doesn't finish school.
- She loves cars.
