III. Listen again and fill the gaps.

Nghe An Province was badly affected again when a 1..... hit the area last night. The storm began at around 11 p.m and raged though out the night. Dozens of people were seriously injured and hundreds of others were left homeless. The severe winds caused extensive damage to 2....., including homes and businesses, particularly in Cua Lo, a coastal town in Nghe An. The storm had already weakened by the time 3..... workers arrived in the area. Rescue operations have started and many people trapped in collapsed or damaged buildings have been freed. Workers are now clearing up the 4..... left behind by the severe storm. The government has already sent rescue equipment to Nghe An, as well as food and medical supplies. People left homeless have been taken to safe areas, where temporary 5..... will be built to house them. The weather bureau has issued flood warning for Nghe An and nearby provinces as heavy rain is expected to continue over the next few days.
