Zac grabbed the phone and knew it was Michael on the phone, he started babbling, as he was very nervous.

After a few minutes, they hung up, and Kenny told him he had messed up.

They were celebrating the release of the movie when Kenny got a phone call and answered it.

He finally said "See, Zac? Dreams really do come true"

Zac was having dinner in France with the cast of High School Musical.

Unexpectedly, Kenny's phone rings again.

When Zac took the call, Michael told him he didn't know who he was talking to the first time.

This time he was able to tell Michael how he felt about him and how much he had inspired him, and he started crying again.

He left the room because everybody was laughing at him.

He started crying over the phone and had a short conversation with Michael.

Kenny picked up and handed the phone to Zac again.

Zac was shocked that Michael actually knew who he was and that he admired him.

When he was talking, he looked and Zac and told the person he was talking to, that somebody wanted to talk to him.

Michael was moved by Zac words and started crying too.

Zac felt bad about the conversation, but was still very excited that about having talked to Michael.
