My last summer vacations

Hello I'm Nataly, last summer holidays I went to Perú. I went with my sister, Alejandra. We went by an airplane. We are from Chile, Viña Del Mar, so we had to travel to Santiago to take the airplane. We visited Lima and then we visited Machu Picchu. It was a wonderful experience. We were very happy to be there. We stayed in Perú for 5 days. We returned to Chile on Saturday night. I love traveling.
