

Remember *Childnet International's* 5 SMART RULES when using the internet and mobile phones:

S **SAFE**
M **MEETING**
A **ACCEPTING**
R **RELIABLE**
T **TELL**

Choose TRUE if you agree the statement and FALSE if you don't agree the statement.

1. We should tell our information (eg. Name, address) when we chat online.
2. Although we haven't met them before, we can go and meet with the person we chatted online.
3. You shouldn't click the link that the stranger sent.
4. You shouldn't tell to a trusted adults when you received an annoying message.
5. All the news on the internet are right.
6. S is for _____.
7. M is for _____.
8. A is for _____.
9. R is for _____.
10. T is for _____.
