

The diagram illustrates the addition of two quantities. On the left, there are three brown sacks of onions. The front-most sack is labeled "ONIONS" and "25 kg". To its right is a large green plus sign "+". On the right side of the plus sign, there are four wooden crates filled with green cucumbers. Each crate is labeled "CUCUMBERS" and "15 kg". A large curly bracket underneath all these items points down to the text "320 kg", indicating the total weight.
