

FUNCTION: TALKING ABOUT MEDICAL PROBLEMS

Read the dialog with a partner.

Clerk: May I help you?

PVT Olsen: I'd like to see a doctor, please.

Clerk: Sure. May I see your ID?

PVT Olsen: Yes. Here it is.

Clerk: Do we have your medical records here?

PVT Olsen: No, I've never been here before.

Clerk: Okay. Then I need to get some information from you. How old are you?

PVT Olsen: I'm twenty.

Clerk: Where do you work?

PVT Olsen: I'm with DLI.

Clerk: Do you smoke?

PVT Olsen: No. I stopped before I joined the army.

Clerk: Good. Have you taken any medication?

PVT Olsen: I took two aspirin this morning.

Clerk: Are you allergic to any drugs, like penicillin?

PVT Olsen: I don't think so.

Clerk: Describe your symptoms.

PVT Olsen: I have a fever, and I feel dizzy. I also have a sore throat and a headache.

Clerk: Okay. Have a seat. In a few minutes, the nurse will check your temperature, blood pressure, and pulse. Afterwards, the doctor will examine you.
