A 4.4-magnitude earthquake struck a little more than 2 miles north of La Verne last night. Shortly after the quake, our Operations team members began checking all schools and classrooms. By 9:00 PM, all schools were checked. We had some minor damage at a few schools, but the majority of our schools reported no damage. This morning, all schools were checked once again and all schools are safe for students and staff.

Money matters

In many countries, English is not enough but you need to know the local tongue.

You may need a visa and a work permit and have to rent a flat where you will live.

Your wage should cover all your expenses that might be more costly abroad.

There are two types of menus: table d'hôte menu, which has a fixed number of courses, has a fixed selling price, has a limited choice within each course, plus the food is usually available at a set time as it is easier to do more preparation in advance. The other is the a la carte menu, which has a wide choice of dishes for each course, each dish is priced separately, and it may have a longer waiting time as dishes are cooked to order.
