READING PRACTICE

1. Read about Mike Anderson's hero: her mum Sally Anderson

My hero
by Mike Anderson

My name is Mike, and my hero is my mum, Sally Anderson. Mum has got 3 children: Lenny, Lucy and me. I am 12 years old, Lucy is 10 and Lenny is 2.

Our house is small, but there is a big library with many books and a computer. Mum is good at finding information and solving problems, so she always helps me and Lucy with our homework. She's super clever!

Our favourite part of the house is the garden. On Sundays, we have lunch together under our favourite tree. Lenny sometimes cries because there are big insects in the garden. But mum is very brave and she scares them away.

After lunch, we like telling jokes. Lucy is very funny, but I tell the best jokes! Mum says Sunday is her favourite day of the week, because she loves spending time with us! And we love that, too!

My mum is my hero because she's good at making her children happy.
