

## CHOOSE THE CORRECT ANSWER.

Ailment, road users, disrupted sleep, stress, depression, sleep deprivation

\_\_\_\_\_ like, bikers, drivers, and the pedestrians should all be careful and follow the road law.

Students that suffer from \_\_\_\_\_ will not be able to focus in class, and because of the exams and work load, they feel stressed and sometimes their sleep is \_\_\_\_\_ because of their active minds. Some students have \_\_\_\_\_ because they do not have a clear idea of their future, and can not make up their minds on what they want to do after graduation. Because of \_\_\_\_\_ and nervousness, some students suffer from minor \_\_\_\_\_ like headaches or stomachaches.
