The University of Life

How would you like to attend a university that 1_____ teaches you how to find inner peace in stressful times, or how to be happy without 2_____ money? For many students, doing a degree not only opens 3_____ minds to new academic ideas, but also to new ways of living as they meet people from different backgrounds and live independently at the same time.	TEACH SPEND THEY
But why not address lifestyle 4_____ in the lecture theatre too? That's the philosophy at Alfred University in New York, USA, where optional seminar-style classes in recent years include Movement and Stillness; Yoga and Meditation; Happiness and Stinginess, and the Good Life on a Dollar a Day.	CHOICE
The latter 5 _____ on the idea that capitalist society was built on a lie - that you will be happy if you spend money. Alfred students have also studied the reasons behind the success of popular culture hits such as the <i>Harry Potter</i> books and the TV show <i>The Sopranos</i> in the sessions, which are held in the evening. The classes have been popular with students. One of them said that they created an environment where learning for fun 6 _____ first, while another said he enjoyed 7 _____ around people who knew how not to take life too seriously, but took their studies seriously.
