,

I to the position of shop assistant you advertised on the internet for the summer . As requested, I a completed , my and one reference .

I sixteen years old and I am a student in high school. I live near the city center so I to ride my bike easily to come to work.

I (**déjà / work**) as a help in a supermarket for a -time job during my studies . My employer**S** (**be**) happy about my work.

I (**pas encore / do**) bagging but I am motivated and I learn fast ! In my previous job, I (**déjà / stock**) shelves so this part is not a problem for me .

I am extremely as my sense of contact is my so I will to help tourists ! Of course I speaking French as it is my second language and I will to give advise to Spanish tourists too as I **(speak)** Spanish for 5 years now ! This is really interesting and I believe my experience and skills will make me the ideal for the post. My is my sense of humour which can be necessary with difficult customers !

Do you mind if I am asking one question about the wages :

If you want further information, you can me on my cellphone.
