

## Life in Hispania

### 1. Label the parts of a Roman city.

### 2. Complete the text about Roman cities.

amphitheatres      aqueducts      baths      circus  
forum      temple      theatre      walled

Roman cities in Hispania were \_\_\_\_\_.

The most important buildings were in the main square, which they called the \_\_\_\_\_. There were many buildings for entertainment.

The Romans watched plays at the \_\_\_\_\_, sports and other performances at the \_\_\_\_\_ and races in \_\_\_\_\_.

There were constructions for daily needs.

For example, people went to wash at the \_\_\_\_\_, and they worshipped Roman gods at the \_\_\_\_\_. The Romans also built arches, bridges and \_\_\_\_\_ to transport water.
