1.- Reported speech in storytelling. Retell Pedro's story in reported speech by filling the blanks with the correct form of the verbs.

DIRECT SPEECH VERSION:

Pedro said, "Last weekend, I visited San Francisco, California. Have you been there? I have actually never been there before. I had planned to visit my sister there, but she was out of town for work. So, I toured the city alone. I saw many sights. I drove over the Golden Gate Bridge. It is almost 2 miles long! Then, I took a ferry to Alcatraz Island. I toured the prison. It was spooky! I may have seen a ghost... I also saw the Golden Gate Park. It is so beautiful! I will definitely visit again. On my last day, I spent time in Chinatown. I was eating a traditional Chinese dinner, when I realized there is one more destination I must visit. So I took a tour of the Golden Gate Fortune Cookie Factory. My fortune cookie said, 'A true traveler's journey is never complete.' That is true because I am already planning my next journey! Would you like to come with me?"
