Dear Sarah,

I'm 10 years old. I go to Green Lane School. I'm in Class 4B. I've got a sister and a brother. My sister is very nice. Everyone likes her. My brother is very noisy, but I like him.

I play the guitar. I can play it very well. I also like listening to music. My favourite group is the Space Boys. I listen to them every day. I like them very much!

What about you? What kind of music do you like? Please write to me soon.

Your friend,
Nelly
