Pico de Orizaba and Ben Nevis
Both of these natural features are the highest peaks in their countries. The Pico de Orizaba is in Mexico and Ben Nevis is in Scotland. Ben Nevis is a mountain but Pico de Orizaba has another name Citlaltepétl. This means star mountain and it's a much higher peak than Ben Nevis. Both of them sometimes have snow at their peaks. I think that both of them would be very hard to climb!

México, Pico,
Citlaltepétl
