

## **HAPPIER-MARSHMELLO&BASTILLE**

Lately, I've been, I've been thinking

I want you to be happier, I want you to be

\_\_\_\_\_

When the morning comes

When we see what we've become

In the cold light of \_\_\_\_\_ we're a flame in  
the wind

Not the fire that we've begun

Every argument, every word we can't take  
back

'Cause with the all that has happened

I think that we both know the way that this  
story ends

Then only for a \_\_\_\_\_ I want to change my  
mind

'Cause this just don't feel right to me

I wanna raise your spirits

I \_\_\_\_\_ you smile but

Know that means I'll have to leave

Know that means I'll have to leave

Lately, I've been, I've been thinking

I want you to be happier, I want you to be  
happier

\_\_\_\_\_ the evening falls

And I'm left there with my thoughts

And the image of you being with someone  
else

Well, that's eating me up inside

But we run our course, we pretend that  
we're okay

Now if we jump together at least we can

\_\_\_\_\_

Far away from the wreck we made

Then \_\_\_\_\_ for a minute

I want to change my mind

'Cause this just don't feel right to me

I wanna raise your spirits

I want to see you \_\_\_\_\_ but

Know that means I'll have to leave

Know that means I'll have to leave

Lately, I've been, I've been thinking

I want you to be happier, I want you to be  
happier

So I'll go, I'll go

\_\_\_\_\_, go, go

So I'll go, I'll go

I will go, go, go

Lately, I've been, I've been thinking

I want you to be happier, I want you to be  
happier

Even though I might not like this

I think that you'll be happier, I want you to be  
happier

Then only for a minute (only for a minute)

I want to change \_\_\_\_\_

'Cause this just don't feel right to me

I wanna raise your spirits

I want to see you smile but

Know that means I'll have to leave

Know that means I'll have to leave

Lately, I've been, I've been thinking

I want you to be happier, I want you to be  
happier

So I'll go, I'll go

I will go, go, go
