3.COMPLETE THE TEXT WITH THE CORRECT FORM OF THE WORD

Manshiyat Naser: Rubbish City

Most tourists visit the pyramids when they're in Cairo. The (1) civilisation (**civilise**) of ancient Egypt is really (2) _____ (**fascinate**) for history fans. However, if you're a recycling freak, then you might want to look around Manshiyat Naser, just outside the city. It might not be one of the world's most beautiful (3) _____ (**locate**) but the residents there have created an (4) _____ (**impress**) system for dealing with rubbish. In many ways, the way a (5) _____ (**social**) deals with its rubbish reflects its level of (6) _____ (**develop**). Cairo has found a way to keep its city centre and tourist areas free from rubbish by sending it all to Manshiyat Naser. It is home to 270,000 people and nearly all of them work in the recycling business. Families (7) _____ (**special**) in a particular kind of rubbish. People may be recycling plastic bottles in one (8) _____ (**neighbour**) and sorting metal cans in another. Although it doesn't have running water or electricity, in Manshiyat Naser you'll see several streets, blocks of flats and shops, as well as lots of rubbish – and around 90% of that is recycled!
