**II. READING**

1. Read the passage and fill in the blanks with the given words.

environment	diseases	pollution	emission	upgrading
-------------	----------	-----------	----------	-----------

If you wander on the streets of Ha Noi, the capital of Viet Nam, you may be surprised that most people are wearing masks, hiding their faces. This is because of serious air 1. \_\_\_\_\_ in this city. Between March 1 and 4, 2016, the air quality index of Ha Noi, as measured by the US Embassy in Ha Noi was over 350. At this level, air pollution can cause lots of respiratory 2. \_\_\_\_\_, especially to children and the elderly. The major cause of air pollution in Ha Noi is traffic. Due to the increasing number of motorcycles and cars in the last decade, the 3. \_\_\_\_\_ of chemical exhausts has been on a constant rise. Another reason is urban construction, including road 4. \_\_\_\_\_ projects and residential buildings. People have to live with the dust and dirt throughout the city. Environmental experts have warned that if the city continues to develop its economy with little regard to the 5. \_\_\_\_\_, the consequence will be tragic.

2. Read the passage and fill the blanks with the given words.

prediction	anger	deforestation	processes	decades
------------	-------	---------------	-----------	---------

Natural disasters result from natural 1. \_\_\_\_\_ of the earth. However, in the last five decades, human activities have contributed to increasing the number of natural disasters. More landslides have occurred as a result of 2. \_\_\_\_\_. Because there are fewer trees in the forest, the soil becomes loosened and more easily to be flushed down. Industrialization and urbanization contribute to global warming, leading to more intense disasters of all kinds, including hurricanes and tsunamis. It is more difficult to have exact 3. \_\_\_\_\_ of climate patterns such as *El Niño* and *La Niña*. According to the Office of US Foreign Disaster Assistance, the total natural disasters reported each year have been steadily increasing in recent 4. \_\_\_\_\_. In 1980, there were only about 100 hydro-meteorological disasters reported per year but that number has risen to over 300 a year since 2000. If humans do not take action, natural disasters will become more tragic and we won't be able to cope with the 5. \_\_\_\_\_ of Mother Nature.

### III. WRITING

1. Complete each of the following sentences using the cues given. You can change the cues and use other words in addition to the cues to complete the sentences.
