

THE WORLD AROUND US

[i]

**Six little kittens lost their mittens.
It's a pity, they were so pretty.**

Look around you, nature is bright!
Trees are green, flowers are white,
Birds are singing in the blue sky,
Butterflies are dancing in the sunshine.

Look at the picture and answer the questions. – Роздивись картинку та дай усні відповіді на запитання.

1. What can you see in the picture?
2. Are the mountains high?
3. What are the sheep eating?
4. What season is it? Why do you think so?

Do online-exercise. Виконати онлайн-вправу.

Nature

You live on the Earth, and everything around you is part of nature. You can see the sun and the sky with clouds. You can smell beautiful flowers and fresh air.

Nature is everywhere: in the mountains and valleys, seas and oceans, deserts and forests. Animals and birds, bees and butterflies are also part of nature.

Love nature and take care of it.

Complete the sentences. – Доповни речення

1. You live on
2. You can see
3. You can smell
4. Nature is in
5. _____ are also part of nature.
6. Take care of

Say where these animals live. Скажи, де живуть ці тварини.

a cheetah	a dolphin	a python	a hippo
			
the savanna	a sea	the jungle	a river / a lake

Example: A cheetah lives in the savanna.

Ступені порівняння прикметників

Прикметники – слова, що відповідають на запитання Який? Яка? Які? Яке?
