

Many people enjoy reading. But different people enjoy \_\_\_\_\_; different things. We may tell a lot about someone's \_\_\_\_\_ from their readings.

For example, love story readers are usually romantic. They often believe in intuition. When something bad happens to them, they face the \_\_\_\_\_ and don't give up.

Comedy book readers usually look on the \_\_\_\_\_ side. They are not afraid of difficulties in life and believe in \_\_\_\_\_.

Newspaper readers are usually realists with a strong will. They care about news at home and abroad, and the changes in the world. Such people respond quickly to new things and are always \_\_\_\_\_ get new ideas.

Some people like to read \_\_\_\_\_ books. This kind of person has a strong logical mind. They are good at \_\_\_\_\_ all types of problems and think of it as fun.

Some people love science \_\_\_\_\_ books so much. These people develop thinking, rich \_\_\_\_\_, and creativity through reading. They are also into new science and planning for the future.
