10 Lovely Street,  
Kingston,  
Jamaica.

May 3, 2022.

Dear Jerry,

How are you? I heard you are wearing a cast on your arm. I hope your arm does not hurt in the cast. I am having a birthday party on May 5, 2022. Can you come to my party? I hope so. My party will be at Emancipation Park. We will have Burger King, KFC, chocolate cake and snacks. Can you please take a vanilla cake and chocolate cupcakes if you are coming to my party?

My party will also have surprise guests. I am so excited to have the birthday and I hope you will make it. Please write back and tell me if you will make it and what you can bring.

Your friend,  
Kaili.

Use the information from the letter to answer the following questions in complete sentences.

1. This is a

- a) letter to give someone information
