

WHAT GOES AROUND... COMES AROUND

Hey, girl, is he everything you **wanted** in a man?

You know I **gave** you the world (world)

You had me in the palm of your hand

So why your love **went** away

I just can't **seem** to understand

Thought it was me and you, babe (babe)

Me and you until the end

But I guess I **was** wrong (uh)

Don't want to **talk** about it (uh)

I'm just so sick about it

Can't believe it's ending this way

Just so **confused** about it (uh)

Feeling the blues about it (yeah)

I just can't do without ya

But tell me, is this fair?

Is this the way it's really going down?

Is this how we **say** goodbye?

Should have known better when you came around

That you were gonna **make** me cry

It's breaking my heart to watch you run around

'Cause I know that you're living a lie

But that's okay, baby, 'cause in time you will find

What goes around, goes around, goes around

Comes all the way back around

....

Now girl, I remember everything that you **claimed**

You said that you were moving on now (on now)

And maybe I should do the same (maybe I should do the same)

The funny thing about that is

I was ready to give you my name

Thought it was me and you, baby (baby)

And now it's all just a shame

And I guess I was wrong, yeah

.....

Let me paint this picture for you, baby (yo, yo) (uh)

You **spend** your nights alone and he never comes home

And every time you call him all you get is a busy tone
I heard you found out
That he's doing to you what you did to me
Ain't that the way it goes

When you cheated, girl

My heart bled, girl

So it goes without saying that you left me feeling hurt
Just a classic case scenario

Tale as old as time girl, you got what you deserved

And now you want somebody to cure the lonely nights

You **wish** you had somebody that could come and make it right

But girl, I ain't somebody with a lot of sympathy

See, see (uh)

....
