Last summer, I visited my grandparents who live by the sea. One day, I was ...walking... on the beach when I saw a bottle. I thought it was a (1) bottle but I saw that it was made of glass. I stopped and picked it up. I looked inside and I saw a piece of paper. 'It looks like a (2), ' I thought. I ran home and gave it to my grandmother. She tried to open the bottle, but she couldn't. She gave it to me, but I couldn't open the bottle!

'We'll have to (3) for Grandpa to get home,' said my grandmother.

Grandpa came home at six o'clock. I ran to him and gave him the bottle. 'Please open it for me, Grandpa,' I asked. 'There (4) be an important letter inside.' I was very excited.

Grandpa opened it and (5) out the piece of paper. It was a letter! But it was a strange language. It wasn't English, so we couldn't read it!

Now choose the best name for the story.

Tick one box
