## III. READING

**1. Read the passage below and decide whether the statements are TRUE or FALSE?**

LIVEWORKSHEETS

I'm Peter. I have been dreaming of having a robot for a long time. In the future, I may build a villa on the moon. I will live with a teaching robot, a worker robot, a doctor robot and a home robot. I will be able to do difficult homework with the help of teaching robot. A worker robot will help me build new houses. A doctor robot could look after me when I'm sick. And a home robot will do household chores for me every day. It will be convenient. I will be able to do researches on science and invent new things. Some people say it's a bad habit to rely on robots. But I think robots are very helpful to human life.

..... **Question 1:** Peter may build a cottage on the moon in the future.

..... **Question 2:** He will live with four robots.

..... **Question 3:** A worker robot will do the laundry.

..... **Question 4:** A doctor robot could look after him when he's sick.

..... **Question 5:** Peter thinks it's a bad habit to rely on robots.

**2. Choose the letter A, B, C or D to complete the passage below**

Robots _____ (6) an important role in our life. They have changed people's lives in many ways. First of all, they _____ (7) time and human labor. Thanks to robots, we don't have to spends days and months _____ (8) repeated work. For example, to produce French fries, we need human _____ (9) potatoes, wash, then peel, cut them into pieces and finally fry them all. If we have robots to do the task, we will save a lot of time and produce more products. Secondly, robots help to replace human in dangerous work. Now we _____ (10) human to do such work as mining minerals. It's helpful because there have been lots of people lose their lives in such jobs. However, it's costly to buy a robot.

| | | | |
