Dear student, read the story and put the events in the order they happened.

One day last summer, my two best friends and I set out on a day trip to a theme park. We were all really excited as we sat on the bus. We wanted to try the park's amazing new roller coaster!

We soon arrived at the park and found the new ride. It was very fast, but it was great fun! Then, suddenly, at the very top, the roller coaster stopped! We waited for about half an hour, but the ride didn't start again!

We waited and waited, for one hour, then for two hours. Some people were shouting and crying now. Then, suddenly, we heard fire engines. Fire fighters put huge ladders up to the roller coaster and started climbing up! The fire fighters helped us all to climb out of the roller coaster and down a ladder! It was very scary!

After, on the ground, we all felt very shocked and we were shaking! After a while, Dan said, "Come on, no one is hurt, let's enjoy our day!" After that, we watched a parade and we went on a fantastic boat ride, but we didn't go on any more scary rides!

Put the following events in the order they happened (1-6).

_____ The roller coaster stopped.

_____ We enjoyed the rest of our day.

_____ We set out on a day trip to a theme park.

_____ We arrived at the park and went on the new ride.

_____ We waited for a long time.

_____ Fire fighters rescued us with big ladders.
