When Kate came down for dinner with her alien friend, Kate's mother looked a little surprised. But Kate seemed to like her new alien friend, so her mother made a lovely meal. The large, purple alien ate and ate until its little hands were covered in drippings (*жир*).

In total, the alien ate two pounds of steak, one pound of green beans, and one pound of corn bread. Kate's mother looked at all the empty plates and raised her eyebrows. She said, "Well, I suppose I'll have to make another meal for your brothers and father." Kate nodded (*кивнула*). Her new alien friend sat back in his chair and belched (*отрыгнул*). Then he said, "Great snacks. What's for dinner?"
