

YOU ARE BEAUTIFUL James Blunt

Listen and complete the song with the missing subject pronoun and verb to be

My life brilliant

My life brilliant

My love pure

..... saw an angel

Of that I sure

..... smiled at me on the subway

..... was with another man

But won't lose no sleep on that

Because I've got a plan

..... beautiful, beautiful

..... beautiful, true

..... saw your face in a crowded place

And don't know what to do

Because I'll never be with you

Yes, caught my eye

As walked on by

..... could see from my face that was

Fu**ing high

And don't think that I'll see her again

But shared a moment that will last till the end

..... beautiful, beautiful

..... beautiful, true

..... saw your face in a crowded place

And don't know what to do

Because I'll never be with you

..... beautiful, beautiful

..... beautiful, true

There must be an angel with a smile on her face

When thought up that should be with you

But time to face the truth

..... will never be with you.
