Complete the article with the correct alternative.

Your First Vlog

(1) **Do / Can** you like watching vlogs on YouTube? (2) **Would / Do** you like to make one? You will need a smartphone, a video camera or a computer with a camera – and something to say!

My first piece of advice is that you (3) **should / shall** find a quiet place. If you can't find one, then film yourself at night.

(4) **Remember / Not forget** to speak clearly and naturally and look at the camera. You can look down at your notes, but it's better if you don't look down all the time!

(5) **It's / You're** great if you can add images to your recording, but people want to see you speaking and moving!

Share your videos with as many people
as possible.

Good luck!
