Task 3. Read and answer

Hello, I'm Nick. I'm ten years old. There are four people in my family: father, mother, sister and me. My family are going camping tomorrow. My mother says we should pick some fruits and food to the camping. My mother is making some hot dogs and hamburgers. I like grapes and bananas. They are delicious. I want to take them. But my sister, Celica doesn't like grapes. Her favorite fruit is apple. We both like strawberries. My father likes salad and yogurt. We don't like salad much but we like yogurt too. Finally, I think we are going to take all of them to the camping.
