.....

You are at the school. Go straight ahead and turn left at the first corner into Fifth Street. Go straight ahead and turn right at the second corner. Go straight ahead into Main Street and turn right. It's the first building on your right. You are at the .....

You are at Rubin's house. Go straight ahead on Fifth Street and turn left at the second turning. Go along Berry Drive and go past the supermarket. Turn right into Dale Lane. It's on your left. You are at .....

A. Of course.

B. OK, so I go left and at the end of the street, I turn right.

C. Isn't that where the post office is – in Hill Street?

D. Well, first, you turn left when you walk out of my front door. And then you walk to the end of this street. It's called King Street. At the end of King Street, you turn right.

E. So, your school is near the park, then? That good, isn't it.

F. Yes. You go past the post office, and you go straight on. There's a park on the right and opposite that on the left, is my school.

G. Yes. You turn right at the corner of King Street and Hill Street.

H. Can you tell me the way?

Adult: Do you know the way from your house to school?
