A What else have you done? Have you listened to any music?

B No, I haven't.

A And have you done any sport?

B Yes, I have. I played tennis this morning.

VII Reading: The Truth about Housework

Read the article. Choose the correct answer to complete the sentences.

than a fifth of men, say they like washing clothes. Almost half of women enjoy tidying the house, but only about 30% of men agree. The main exception is DIY. 60% of men say they like it, compared to only 40% of women. Ironing clothes is the least popular activity for both woman and men. Around half of both men and women who do this activity say they dislike it. Two out of five men do not do the ironing or the washing. However, fewer than one in 12 women do not do these tasks. The situation is reversed when it comes to DIY and repairs. Nearly half of women say that they do not do DIY or repair work, compared with 16% of men. However, roles are much more equal in decorating and gardening.

4 DIY is

- enjoyed equally by men and women.
- hated by most of the men and women who do it.
- enjoyed more by men than women.

5 What percentage of men do DIY and repairs in the house?

- about 50%
- around 84%
- only 16%

6 Women ... gardening and decorating than men.

- generally do far more
- do about the same amount of
- do a lot less

1 According to the survey, men generally

- enjoy doing the housework as much as women.
- don't like doing the housework as much as women.
- say they like doing most housework.

2 The number of women who say they like washing clothes is

- more than double the number of men.
- almost 40% higher than the number of men.
- only a little higher than the number of men.

3 About 50% of women

- like tidying the house.
- agree with men about housework.
- think men aren't very good at tidying up.
