TEST UNIT 1 8TH GRADE

Review transcript

I.-Listen and choose the correct answer (8 points)

1.- What does Ricardo like to use?

Ricardo likes to use a lot of electronic devices. He thinks it is a good idea to have equipments that are useful. He thinks that they compact disk is not that useful anymore. He really thinks the modem is one of the best invention in the world, he likes to use it to have a better internet connection

2.- What electronic device does Javier dislike ?

Javier is not into many electric devices. He doesn't like the monitor of the computer because it is too bright. He doesn't like to use an external hard because it is too heavy but what he really dislike is to use a stereo , it is too old and it doesn't sound well.

3.-What electronic device doesn't Nataly like?

I think there are many inventions and I believe that there are some really good and others not that good. I like the telephone more than the mobile phone because you are free. I love the home theater because it is like being in the cinema. I don 't like the calculator in this time, it is too slow and boring.

4.-What electronic device does Marta hate?

I love technology but since a lot in our daily life has come out there are some devices that I think has ruined our life. I think the dvd player is excellent for watching movies and the keyboard make the work so much easy. I hate the note pad, I think we waste to much time using that

5.- What does teacher Ester love to use?

Ester is and music teacher, she likes to use this equipment that is big and students can listen to music very well. She thinks the floppy disk is old fashioned and the smart board it is too complicated to use. She loves to use the woofer so she can project her voice way louder than in a common speaker when she speaks by microphone.

6.-What do they prefer to use to study?

Our names are Caroline and Alberto we are at the university and we like to use this electronic device to study. I note pad it is not that useful because it is slow the PDA it is fine but it only works for writing, we prefer to use the laptop that it is more complete and we can study and look for information and listen to music at the same time.

7.-What can't Sergio stand buying?

LIVEWORKSHEETS

Sergio thinks this equipment is a waste of time and life and money . He likes to buy a mouse for his computer because he can work better, he sometimes likes to listen to music and mp3 player is perfect for him, he can't stand buying a mobile phone, because when you have one you become in a slave of it. You can't live without it.

8.- What device don't mind police officers use?

Police officers need to have these three equipments a walkie talkie m a radio and a gps. They don't mind use a walkie talkie because they can connect with other police officers and check the problems
