

Wrecking Ball, by Miley Cyrus

We _____, we _____, our hearts in vain
We _____, never asking why
We _____, I _____ under your spell
A love no one _____ deny
Don't you ever say I just
I will always want you
I can't live a lie, running for my life
I will always want you

I _____ like a wrecking ball
I never _____ so hard in love
All I _____ was to break your walls
All you ever _____ was wreck me
Yeah, you, you wreck me

I _____ you high up in the sky
And now, you're not coming down
It slowly _____, you _____ me burn
And now, we're ashes on the ground

I never _____ to start a war
I just _____ you to let me in
And instead of using force
I guess I should've let you win
I never _____ to start a war
I just _____ you to let me in
I guess I should've let you win
