Reading Practice with the Second Conditional Sentence.

Student's name: _____

Instructions: Read the story and answer the questions below.

If I Won The Lottery

I can imagine what my life would be like if I won the lottery. Wow! I could do so many things, and my life would be so different. I would love the chance to change my life with the money. The first thing I would do is buy a big, new house. I live in a small apartment, and I have always dreamed of living in a big house in the country. With all that money, I could buy anything I wanted. I don't have a car right now, so I would buy a new car. Or, I might even buy a new motorcycle. I like motorcycles, and I can imagine myself driving down the highway with the wind in my hair.

Of course, I if I won the lottery, I should give some of the money to charity. I would probably give my money to a charity that helps sick children. Also, if any of my friends needed anything, I could help them pay for it. I know many people that have student loans, and I could help them pay the loans back. That would make them very happy. Plus, if I won a lot of money, I would certainly save some of it in the bank.

Also, I think that if I won a huge amount of money, I would open a business. I love to cook, and I have always wanted to open a restaurant. With all that money I could open a fancy restaurant.

However, I know one thing I would not do is travel. I have a friend who won $100, 000 in the lottery three years ago. She took the money and travelled for three months. I think she is crazy. Travelling is nice, but then she had nothing left after her vacation.

I think, however, that the only problem with dreaming about the money I could win is that I have never even played the lottery before. As they say: "You can't win if you don't play."

1. Write all the sentences that you can find with the second conditional structure?

LIVEWORKSHEETS

2. What would the person NOT buy if she won the lottery?

Apartment
Car
Motorcycle
House
