Describe a trip that you plan to go on in the near future

You should say:

- **Where this place is**
- **Who would you like to go with**
- **What would you do there**
- **And explain why you would like to go there**

=> When it comes to **a holiday of a lifetime** that I would like to have in the future, a journey
with my family to Da Lat city is my first choice.

This city is a **tourist attraction** located in the south of Vietnam. As I have read on many articles about this city, it has a really peaceful atmosphere, the pace of life is quite slow and local people are so friendly and **cosmopolitan**. Therefore, I really want to have a chance paying a visit to this place with my family.

About my **itinerary,** if this dream comes true, when we come here, we can have a valuable chance to **go sightseeing** and enjoy the **stunning beauty** of this mountainous city. We will go to Da Lat flower garden which has gained its reputation for a variety of flowers from the light pink of lotus to the **striking red** of roses. Furthermore, the local dishes are so special, so we will also spend some time **sampling** them. At night, we can go for a walk to local market to **experience the nightlife** here and buy some souvenirs for our relatives and friends.

To me, visiting Da Lat is my dream because of two main reasons. Firstly, the place we plan to go to is extremely beautiful and we can enjoy a different atmosphere as well as lifestyle in a different place. We can escape from the **hustle and bustle** of the **rat race** in Hanoi. Secondly, it would be a chance for our family to reunite after a long year to gain a **close-knit relationship**.

However, finance seems to be a problem to my now, so I'm **working my fingers to the bone** to make our plan come true.
