

HOUSE CHORES

READ THE NEXT TEXT

I am Paula. My family is big. We are nine people in our house. It is difficult to live with so many people because there is always a mess in the house, but at the same time, it is great because we all contribute to the housework. For instance, I am in charge of doing the laundry. I have to do it every day, if not, all the dirty clothes pile up. My sister, María, is in charge of cooking. Rachell, my older sister, has to sweep the floor. Luis, my younger brother is in charge of setting the table. My other brother, Carlos, has to mop the floor. My sister, Vivian, has to feed the pets and water the plants. My brother, Mathew, is in charge of taking out the trash and cleaning the toilet. Finally, my mom folds the laundry, cleans the windows, and does the ironing. My father doesn't do anything at home because he is in charge of doing the shopping.
