IX. Read the following passage and circle the letter A, B, C or D to indicate the correct answer

Ted Robinson has been worried all the week. Last Tuesday he received a letter from the local police. In the letter he was asked to call at the station. Ted wondered why he was wanted by the police, but he went to the station yesterday, and now he is not worried any more. At the station he was told by a smiling police-man that his bicycle had been found. Five years ago, the policeman told him, the bicycle was picked up in a small village four hundred miles away. It's now being sent to his home by train. Ted was most surprised when he heard the news. He was amused too, because he never expected the bicycle to be found. It was stolen twenty years ago when Ted was a boy of fifteen.
