III. Choose the correct variant to complete the sentences.

My friend Molly lives in London. Last December she invited me to her country to celebrate Christmas. I was happy to go there because I didn’t know how the English celebrate this holiday. First of all I helped Molly to make Christmas Cards and to decorate the Christmas tree. We prepared stockings for present and put them near our beds. Molly’s mother cooked the traditional Christmas dinner. For Christmas dinner the English always have a roast turkey, some vegetables and a pudding. Molly’s mother show me how to cook Christmas pudding. It was very tasty. I was happy to celebrate Christmas with my friend. Before dinner everybody opened the presents. I got a nice doll for my collection and Molly got a dress.
