Join our 3Rs Club today and you will save the earth

The purpose of our club is to encourage all the students to go "green". There are a number of ways we can do to reduce, reuse and recycle.

What can we reduce?

We can reduce rubbish. We should use reusable bags rather than plastics bags. We should buy things we really need. We should not throw old items away. We should give them to charity. We should save energy by using less electricity and water. We should also use less paper.

What can we reuse?

We can reuse bottles, cans or boxes. We can also exchange used books and clothes with friends.

What can we recycle?

We can recycle used paper, glass bottles and cans. Recycling also saves energy.

47. The aim of the 3Rs Club is to _____.

- A. reduce rubbish B. reuse old items C. save the earth D. save money

48. We shouldn't use _____.

There are many things we can do to improve the environment around us. Firstly, we encourage our family members to go to work and to school by bus. It will help to reduce the air pollution. Secondly, we ask our friends to pick up rubbish in parks or in streets. It will help to make the parks and streets clean. Thirdly, we tell our family members and friends to save energy by turning off lights, TVs and computers when we don't use them. ***This*** will help to save electricity. Fourthly, we encourage people to use reusable bags instead of plastic bags. Finally, we ask our friends to give old clothes to charity instead of throwing them away. If we do these things well, we will take great part in improving our environment.
