## A DAY WITH MY GRANDMA

Hello! My name is Grace and I live with my grandma. She loves visiting places with me.

Yesterday I wanted to visit many places, so I asked my grandma to take me.

First, we visited the Zoo because I wanted to see the pandas, and my grandma asked me:

- "Grace, what's Your favorite animal?"
- "My favorite animal is the panda!", I said.

Then we went to the mall because I wanted some chocolate ice cream, and my grandma asked me:

- "Grace, what's your favorite ice cream?"
- "My favorite ice cream is chocolate."

Then we went to the pool, and we swam together!

- "Grace, where do you want to go now?", my grandma asked.
- "I want to go home, grandma."

I enjoyed spend the day with my grandma, we ate, we laughed, we walked, and we had lots of fun!
