Yesterday my family had a great fun. We had a picnic in the park. There weren't a lot of people. The weather was sunny and warm. We were hungry! We ate sandwiches. I like sandwiches with cheese and tomatoes. We cooked a lot of sandwiches. We ate vegetables and fruit, too. They are good for health. They have vitamins. I had bananas and oranges. Mum gave me apples, too. Fruit is yummy! We ate tomatoes, peas and cucumbers. We don't like lemonade. It's not good for health. We had water. My brother played tennis. I don't like it. It's boring. I listened to music and looked at the birds on the trees. They were beautiful. My mum phoned my grandma and said her about our picnic. She felt happy.
