

The cub

In December, Norman and Lisa went on a winter holiday with their parents. It was very cold and Norman was hungry all the time.

One day, Norman and Lisa found a cave in the mountains. It was very big.

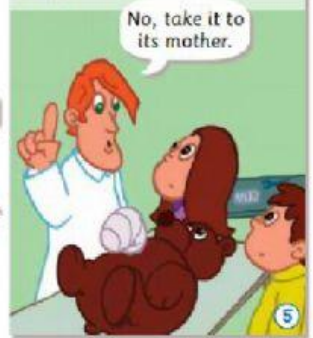

In the cave there was a small cub.

The children went to the vet.

Norman and Lisa listened to the vet.

The children took the cub back to the cave.

The mother bear came, picked up the cub and took it into the cave. The children were very happy.
