Kids' School

Children love learning at Kids' School. Read these comments from our students ...

A Iris

I love it! My classroom is brilliant. It's got big windows and lots of plants and we've only got ten children in our classroom. My favourite subject is maths. We haven't got books or calculators. Our teacher's got a computer and we've all got tablets. Our classroom has got an interactive board.

B Rebecca

I think it's great. The children and their families are really nice. We're all friends. I'm also happy because our school isn't in the city. We've got outside space for sports and a big swimming pool. My favourite subject is PE. We play lots of different sports and we've got good teams. I'm in the gymnastics team!

C André

My brother is at Kid's School with me and we love it! He's a sporty person so he loves the sports facilities but I like reading so I love the library. It's really big with hundreds of books. My favourite lesson is English. The lessons aren't in a classroom, we have them in the library. We haven't got computers but we've got lots of books!
