

**Read the text. Are the sentences true (T) or false (F)?**

Clare is eight years old and lives in Manchester. She has a big family. Her two older brothers are doctors. They work in a big hospital. Her brothers work a lot and they only come home sometimes. When they come home, Clare wants to play with them but they are usually tired and sleep all the time. Clare also has two sisters. They are twins. They are 17 years old. They go to school in Manchester.

This weekend is special because it's their mum's birthday. All the family are at home. It's sunny and Clare and her brothers and sisters are all in the garden helping their mum. Their dad is in the kitchen. He is making a birthday cake for Mum.

Yesterday it rained all day and Clare was sad. But today it's sunny, everyone is home and she's really happy.
