

Hello Everybody! I am Nathan. What's up? Let me talk about myself. I am twelve years old and I am in grade 6. I have got brown hair and blue eyes. I am a very cool dude. I am very hardworking and popular at school.

I have got a lot of hobbies. I like listening to rock music. I like playing chess. And I like reading sci-fi books.

But today is my "do something different" day. So I am listening to classical music. I am playing backgammon and I am reading a history book.

And I usually prefer black clothes but today I am wearing a white cardigan. It is a crazy day for me!
