

Man In The Mirror

Michael Jackson

I'm gonna make a change
For once in my life
It's gonna feel real good
Gonna make a difference
Gonna make it right

As I turn up the collar on
My favorite winter coat

I see the kids in the streets
With not enough to eat

Pretending not to see their needs

A summer _____
A broken bottle top
And a one man soul

ya' know
'Cause they got nowhere to go
That's why I want you to know

CHORUS

I'm starting with the man in the mirror
I'm asking him to change his ways
And no message could have been any clearer:
If you wanna make the world a better place

It's time that I realize
That there are some with no home
Not a nickel to loan
Could it be really me
Pretending that they're not alone?

A willow deeply
Somebody's broken heart
And a _____ dream
They follow the pattern of the wind, ya' see
'Cause they got no place to be
That's why I'm starting with me

CHORUS 3X

Who am I to be blind?

This wind is blowing my mind

I've been a victim of a selfish kind of love
washed-out scarred disregard

Take a look at yourself and then make a change

They follow each other on the wind,

(You gotta get it right, while you got the time)
('Cause when you close your heart)
You can't close your, your mind!
(Then you close your mind!)

No message could have been any clearer
If you wanna make the world a better place
Take a look at yourself and
then make the change

I'm gonna make a change
It's gonna feel real good

Come on! (Change)
Just lift yourself, you know
You've got to stop it, yourself!
(Yeah! Make that change!)

I've got to make that change, today!
(Man in the mirror)
You got to, you got to not let yourself, brother
(Yeah! - Make that change!)

You know, I've got to get
That man, that man... (Man in the mirror)
You've got to, you've got to move!

Come on! Come on! You got to...
Stand up! Stand up! Stand up!
(Yeah! - Make that change)
Stand up and lift yourself, now!
(Man in the mirror)

(Yeah! - Make that change!)
Gonna make that change.
Come on! (Man in the mirror)

You know it! You know it
You know it! You know it
(Change) Make that change
