Part 6/ Complete each space with one of the words given below. Make change if necessary.(1m)

surprise, old, part, although, choose, how,

Nguyen Ngoc Truong Son learnt to play chess by watching his parents in their home. His parents were surprised that Son understood how to play because little Truong Son was only three years old at the time. (1).....chess is a difficult game, a month later he beat his parents at their favourite game. At the (2)..... of four, Truong Son took part in the national young chess championship. Then at seven, he won a silver medal at the under-nine national chess championship. He was later (3).....to take part in the world young chess championship in Spain in 2000. Now he is Vietnam's youngest champion. Born in Mekong Delta of Vietnam, Truong Son is a great surprise to his parents. They are both teachers, earning less than US\$ 100 a month, and cannot explain (4).....their child can play so well. His father thinks that Son was perhaps born with the ability and he simply picked it up.

Part 7 / Read the following passage and decide if the statements that follow are TRUE or FALSE.(1m)

One family activity on Mother's Day is to have the children cook the early morning meal. Then they serve the food to their mother while she is still in bed or they might clean the house so she does not have to do it. Fathers might take care of the children that day so that the mothers can rest, or take a walk, or read a book. Many mothers feel that this free time on this special day is a very good Mother's Day gift.

17/ The children prepare breakfast for their mother on Mother's Day.

18/ On Mother's Day , mothers have more time off.

19/ Fathers help the mothers with their childcare on this day.

20/ Having free time on Mother's Day means nothing to many mothers.

The end
