

## AN UNDERWATER ART MUSEUM

4. Read the question and possible answers about the TED talk, then watch the video and check the three statements that answer the questions.

Why does deCaires Taylor call the sites where he places his sculptures "museums"?

1. \_\_\_\_\_ People respect museums and value the things that are in them.
2. \_\_\_\_\_ He wants people to respect the oceans as much as they respect museums so that they will protect them from environmental damage.
3. \_\_\_\_\_ Museums have a lot of ancient objects that teach people about the past.
4. \_\_\_\_\_ Museums are a well-respected educational resource.
5. \_\_\_\_\_ He thinks his sculptures are good enough to be exhibited in a museum.
